How to talk about money in French! ?

First, French don't talk about money. You can talk about religion, politics, or sex but money is a big no-no.. So don't ask people how much they make or if they crushed the stock market...

In today's episode, we'll learn new vocabulary and we'll review how to use Yes/No questions using 'est-ce que'

How to talk about money in French: Vocabulary
